@EWPTE 2025**

**Mercury Wire**

**Custom Cable & Assembly  
Solutions for Wire Processing  
Professionals**

May 7

# CAPABILITIES

- **Precision cable and assemblies designed for high-performance environments.**
- **Streamlined integration for manufacturers and wire harness specialists.**
- **Prototyping to production—your specs, your pace.**
- **Made in the USA. Built for scale.**

# PROCESS

- **Dedicated value-stream teams for every project.**
- **Custom-engineered cable + integrated assembly = fewer delays and smoother installs.**
- **Personal support: We collaborate with your engineers like we're part of your team.**

*We don't just build what you ask for—we help you build what you actually need.*

# LET'S CONNECT AT EWPTTE!

**We're new to the show—but we're not new to solving cable challenges.**

**Andrelis and Jesus will be on-site to connect with manufacturers, engineers, and innovators tackling everything from lead time delays to tricky assembly requirements.**

*Come say hello!*
